June 23rd, 2016 Regular Council Meeting

Various street repairs will take place in town while Border Paving is constructing the walking trail. Areas that will be addressed at this time are those that have had sufficient time for the ground to settle since they were excavated for repairs. The areas slated for repair are the two (2) sections on 51st Avenue and the area on Mackenzie Drive. Border Paving will be repairing the areas while they are on location just east of Sedgewick.

The following regular council meetings have been rescheduled:

- July 21st, 2016 Council meeting has been rescheduled to July 14th, 2016.
- August 18th, 2016 Council meeting has been rescheduled to start at 5:00 PM.

Council approved the installation of “children at play” signs along Mackenzie Drive. Please slow down throughout town. Children are out of school for the summer—lets keep them safe! Thank you Russell and Shauna Moore for the donation of the signs and your concerns for the safety of children playing in the community.
