

TOWN OF SEDGEWICK—THE SCOOP - Mar. 2018

February 15, 2018 Council Meeting Highlights

Town of Sedgewick Boulevard Bylaw 537/18

Council gave second and third reading to Bylaw 537/18. The Boulevard Bylaw addresses maintenance responsibilities of boulevards with an emphasis on boulevard trees. The Bylaw can be viewed on www.sedgewick.ca

Spruce Drive Dust Suppressant

Council approved the application of Clearview Dust Suppressant on Spruce Drive in 2018 with a budget of \$8,000. Clearview is a bi-product of oil and has a 0% evaporation rate. It is non-corrosive and washes easily off of metal.

Residential Subdivision

Council authorized the design and construction administration of Phase I of a residential subdivision to be located on the west side of 50th Street. Phase I will include 12 lots to be built on the north and south sides of 54th Avenue.

March Meeting Date Changed

Council rescheduled the March 15th regular Council meeting to March 22nd at 6:00 PM.

Municipal Sanitary Sewer Lines—Public Notice:

The Town of Sedgewick Public Works Department has experienced frequent sewer main blockages due to non-flushable items entering the sewer lines from residents. This has serious consequences for the residents' properties (i.e. sanitary sewage backups, loss of use;) increases property owners' tax rates due to required repairs and ties up the Public Works Department from other scheduled duties.

YOU CAN HELP!

There are many things that should **NEVER EVER** be flushed down the toilet (nor put down any sink):

- ⇒ moist towelettes or adult hygiene wipes
- ⇒ baby wipes (*even if they say "flushable"*)
- ⇒ condoms; feminine products
- ⇒ cotton balls and swabs
- ⇒ paper towels
- ⇒ Band-Aids
- ⇒ dental floss
- ⇒ fats, oil and grease
- ⇒ cat litter

IMPORTANT NOTICE

Please do not flush any other product apart from toilet tissue down the toilet.
Thank you
