

TOWN OF SEDGEWICK—THE SCOOP - April 2019

March 21, 2019 Council Regular Meeting Highlights

Municipal Accountability Program Review 2019

Municipal Affairs conducted a review of the Town of Sedgewick under the Municipal Accountability Program (MAP); the review included a CAO interview, review of Town documents and attendance by two Municipal Affairs representatives to the January 24, 2019 Council meeting. Council reviewed the MAP Report and directed Administration to submit a response plan to Municipal Affairs prior to the eight-week deadline.

Naming of Municipal Office

The recent MAP Review identified that a resolution of Council, naming 4818-47 Street as the Town Office was not made available. Council endorsed a motion to name 4818 – 47 Street in Sedgewick as the place of the municipal office.

Tax Recovery

Council directed Administration to inform Ackroyd Barristers & Solicitors by letter that if the tax arrears in respect of the parcel of land described as Plan 3825P, Block 3, Lots 15-18 are not paid before March 31, 2019 the Town of Sedgewick will offer the parcel for sale at a public auction that will be held in October 2019.

Municipal Emergency Management Plan

Pursuant to Emergency Management Bylaw 543, Council approved the updated Emergency Management Plan as presented.

2018 Financial Audit

Brian King Professional Corporation presented the Town of Sedgewick 2018 Financial Audit.

Dr. Meer Retirement Celebration

Council approved support for the retirement celebration for Dr. Meer.

Flagstaff Intermunicipal Partnership (FIP)—Meeting Notes from March 18, 2019 Meeting

Website: <http://flagstaffinterpartnership.com/>

Regional Broadband Project – a report developed by Battle River Alliance for Economic Development (BRAED) for a potential regional broadband system was reviewed. The intent of this project would be to develop a fibre optics system that would cover the entire Flagstaff region, including all towns and villages. Craig Dobson of Taylor Warwick will be invited to the next FIP meeting to provide further details from the report.

County Bus – the Committee discussed potential opportunities for utilizing the County Bus. Committee members were requested to discuss this issue with their Councils and bring back suggestions for utilizing the bus within our region.

July 1st Planning Meeting

April 15 @ 6:30 pm

Wild Rose Coop Recreation Centre
Upstairs Meeting Room

PLEASE JOIN US!

July 1, 2019 is around the corner! Come get involved and attend our first meeting to organize some family fun once again!

Regional Governance Project – All participating municipalities had previously agreed to move forward with developing a detailed operation and transition plan for a proposed amalgamated municipality. This decision in NO WAY commits any of the participants with moving forward with amalgamation. The public engagement sessions held in December, 2018 and January, 2019 showed that residents wanted more information before they could make an informed decision on amalgamation and the Councils of the participating municipalities are following the wishes of their residents. The Committee will be retaining a consultant to assist with this process and are hoping to have the detailed report ready for review by Councils and the public by the end of 2019.
